The screenshot shows a dark-themed web interface for a token sale. At the top, there is a navigation bar with links for Home, Token, Stake, Docs, and Early Access. The main content area is divided into two columns. The left column contains a section titled "Your SOVM amount" with a sub-section "Your SOVM Available" and a "Project" section. The "Project" section describes SOLVM as a Layer 2 scaling solution for Solana. Below this, there is a table with the following data:

Total Raise	Price
5,000,000 SOVM	0.01 USDC
Round Open	Round Close
2024/07/30 13:50:57	2024/08/02 20:00:00

The right column contains a "Pay" section with a dropdown menu set to "SOL" and a "Please input" field. Below this is a "Receive" section with a dropdown menu set to "SOVM". At the bottom of the right column, there is a "Connect Wallet" button. A yellow arrow points from the "invited" status in the top right of the left column to the "invited" text. Another yellow arrow points from the "Round Close" time in the table to the "Connect Wallet" button. Red boxes highlight the "invited" text and the "Connect Wallet" button.

The screenshot shows a dark-themed web interface for a Solana wallet. At the top left is a logo with three horizontal bars. The top navigation bar includes links for 'Home', 'Token', and 'Stake'. A red box highlights a notification in the top right corner that reads 'Balance fetched successfully' with a green checkmark and a close button. Below the notification, the main content is divided into two columns. The left column displays 'Your SOVM amount' as 28.381 SOVM and 'Your SOVM Available' as 1.42 SOVM. Below this is a 'Project' section for SOLVM, describing it as a Layer 2 scaling solution. At the bottom of the left column, there are fields for 'Total Raise' (5,000,000 SOVM), 'Price' (0.01 USDC), 'Round Open', and 'Round Close'. The right column shows an 'Invited' section for 'Round ONE' with a wallet address. Below that is a 'Pay' section with a dropdown menu set to 'SOL' and a 'Please input' field. At the bottom of the right column is a 'Receive' section with a dropdown menu set to 'SOVM' and a field showing 'You will receive 0 SOVM'.
