Create a Password

You will use this password to open your Razor wallet

New password

Confirm password

Recommendation:
Always use a **Strong** password

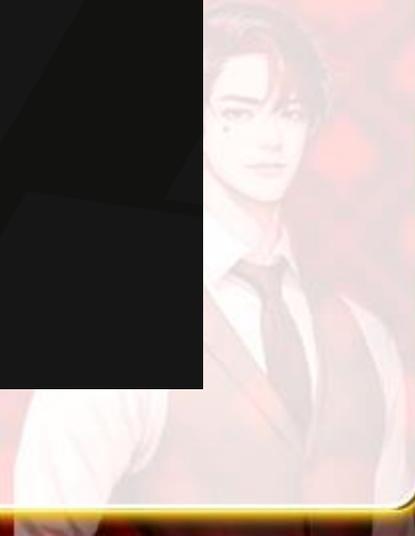

Proceed

Why do I need a Password?

For security reasons, Razor locks your wallet after 15 minutes of inactivity. You will need this password to unlock it

Can I recover my Password?

The password should be stored securely. We will not be able to recover it for you

Doneをタップし完了

Congratulations!

Your Razor wallet account has been created.
Welcome to the Movement!

The screenshot shows the Galxe website interface. At the top left, the Galxe logo is followed by navigation links: Explore, Earn, GToken, Identity, About, and More. On the top right, there are buttons for Movement, Network, and a highlighted 'Log in' button. The main content area features the Movement profile header with a 'Follow' button (902K+ followers) and tabs for Infrastructure, Layer 1, and Layer 2. Below this is a 'Welcome To The Movement' section with a brief description and a 'View More' link. A 'Smart Savings' promotion is displayed, offering a 10% APY boost. A 'Get 100 Points' section lists tasks: 'Visit the Movement Overview Page', 'Quiz: What is Movement?' (with a 'Start' button), and 'Visit the Movement Team Page'. At the bottom, a progress bar shows '100 Points' earned, with 'FCFS' and 'Point' indicators, and another 'Log in' button.

Welcome To The Movement

Search, Home, and Built with icons

Welcome To The Movement

If you want to know what Movement is all about, you've come to the right place.
If you have ambition and talents that can help build the Movement, look no further.
If you just want to vibe with the Gorilla Movers, you have arrived.

First Steps:

1. Connect in with our Community ([Discord](#), [Twitter](#), [Telegram](#), [Galxe](#), and [Github](#))
2. Then dig in below to find out what we're all about.

What Is Movement?

Movement was born from a simple yet powerful idea: making the Move programming language accessible and available across the entire modular blockchain ecosystem.

By bringing the Move Virtual Machine (MoveVM) to Ethereum through our novel MEVM (Move + EVM) Zero-Knowledge Layer 2 technology, we are creating a secure, scalable, and developer-friendly blockchain infrastructure that combines the best aspects of modular and monolithic architectures with the speed and safety of the Move language.

Below the navigation, there's a 'Smart Savings' section with a 'Deposit to get 10% APY boost!' button. The main content area is titled 'Get 100 Points' and lists several tasks:

- Visit the Movement Overview Page (Completed, indicated by a green checkmark)
- Quiz: What is Movement? (Start button highlighted with a red box)
- Visit the Movement Team Page (Refresh button)
- Quiz: Meet The Team (Start button)
- Visit the Movement Data Room (Refresh button)
- Quiz: Tech, Partners, and More! (Start button)

At the bottom, a summary bar shows '100 Points', 'FCFS', and 'Point' icons, along with a 'Tasks Incomplete' button. A partial task 'Quiz: Guilds, Gorillas, and Gud Vibes' is visible at the very bottom.

A screenshot of a task list interface with a dark background. The list contains six items, each with a right-pointing arrow icon on the left. The first two items, 'Visit the Movement Overview Page' and 'Quiz: What is Movement?', have a green checkmark icon on the right, which is highlighted by a red square. The third item, 'Visit the Movement Team Page', has a circular refresh icon on the right. The fourth item, 'Quiz: Meet The Team', has a 'Start' button on the right. The fifth item, 'Visit the Movement Data Room', has a circular refresh icon on the right. The sixth item, 'Quiz: Tech, Partners, and More!', has a 'Start' button on the right. A faint image of a person in a suit is visible in the bottom right corner of the background.
